The Fund for Women and Girls

In 1998, a small group of dedicated women saw that girls and women in the greater Mercer County area needed more support. They understood that women needed education and encouragement to become ambitious philanthropists. So, they made a commitment to the future by establishing the Fund for Women and Girls, a permanent fund of the Princeton Area Community Foundation. Since then, the Fund has invested over \$250,000 in area nonprofits that are helping girls grow into competent, self-sufficient women. Our work has just begun.
