## JOIN THE FUND FOR WOMEN AND GIRLS

We are a community of dedicated philanthropists. We are entrepreneurs, teachers, caregivers, artists, and business professionals.

We have a vision for our community.

## WHY JOIN?

- We share our time and intellect to study and understand critical issues affecting women and girls.
- We invest in programs that improve the lives of girls and the women who raise them in central New Jersey.
- We work together to identify highly effective programs through an annual grant review process.
- We are part of a network of women's funds at community foundations throughout the U.S.
- We are building an endowment for the future.
