Join the Fund for Women and Girls

Improving the lives of economically vulnerable women and children in Greater Mercer County through community investment, education, and collaboration

Why should I join?
Engage in collective philanthropy and grantmaking that supports the most vulnerable women and children in our community

How do I become a voting member?
Contribute $1000 or more annually to the Fund; or if you are under 40, contribute $250 or more

What does collective philanthropy mean?
Combine your contribution with Fund members to enable investments in local nonprofits: $25,000 1-year grants and $75,000 3-year grants annually

Who decides which local nonprofits receive funding?
You do! Voting members can review annual applications, visit potential grantees, and determine grant awards at the annual grantmaking dinner

What happens at the annual Grantmaking Dinner?
Hear the presentations of finalist organizations and cast your vote to fund our grantee partners for one or more years
